WELCOME

We are delighted that you have chosen to continue your education at Forsyth Tech. It is a **privilege to serve you** as you go about fulfilling your dreams for the future. The community of students, faculty and staff of Forsyth Technical Community College is committed to these values:

- We value our students, hold high expectations of them and are **ceaselessly committed** to helping them meet their goals.
- We are a learner-centered college providing a **variety of quality learning opportunities** tailored to student and community needs.
- We recognize the impact of ongoing **technological change** on the educational process and on the lives of our students and embrace this change in our college community.
- We are committed to **building the community** we serve to make it a better place to live.
- We value a work environment characterized by **mutual respect** and demand of ourselves the highest **competence, trust and integrity**.

Furthermore, the college is committed to the principle of **equal opportunity**. It is an Affirmative Action, Equal Opportunity, ADA, Section 504 institution and does not discriminate on the basis of race, sex, color, age, religion, national origin, disability or political affiliation with regard to its students, employees or applicants for admission or employment.

SGC WELCOME TO FORSYTH TECH

I am excited to welcome you to a new school year at Forsyth Tech. We all have big hopes and dreams for the future and that is why we have decided to start at Forsyth Tech to get our education. You've come to the right place! Forsyth Tech offers a variety of programs that would help you achieve your goal in life.

But in our quest for perfection, let's not forget that all work and no play makes Jack a dull boy. Experience life outside your classroom by joining in at least one of the numerous clubs and organizations on campus.

I look forward to getting to know you.

Sincerely,
Joy Onuma
President
Student Government Council

Student Government

Students learn to work together to accomplish a wide range of projects that have a high impact on the college and community.

STUDENT GOVERNMENT ASSOCIATION (SGA)

The Student Government Association (SGA) is composed of all curriculum Forsyth Tech students and is served by the Student Government Council (SGC). The SGC consists of the student government officers, Alpha Mu Beta fraternity members and other SGC representatives. Participating students are people who are interested in developing leadership skills to be used in their careers in business, industry or government. Students learn to work together to accomplish a wide range of projects that have a high impact on the college and community.

STUDENT GOVERNMENT COUNCIL (SGC)

The Student Government Council (SGC) is intended to be a laboratory of development for motivated students. People who get involved find themselves learning, growing and doing things they never thought they could do. This is a program in which students can test their education, experiment with social and group dynamics and make positive personal changes without fear of criticism.

The SGC, with the Student Activities staff, manages the student activities budget and meets in business sessions. During the

meetings, the members address student issues and plan and produce student activities such as Fall Festival, Spring Fling, Constitution Day, Martin Luther King Jr. Celebration, blood drives, leadership workshops and other projects. During meetings and projects, students learn and practice parliamentary procedure, group skills, teamwork, project management and gain the experience of getting things done in a large institution. Some students choose to work with the budget, practice secretarial skills or do advertising, student publications and other public information duties.

SGC members may also participate in the Flight Line Program, which allows them to track their time spent in leadership efforts within the SGC, providing a tangible record of these efforts—an "extracurricular transcript."

The SGC also represents the student body to the college administration. The SGC president serves on the Forsyth Technical Community College board of trustees as a nonvoting member and reports to the SGC about board activities when appropriate. The SGC also serves as a vehicle of communication to the students for the administration. Members of the SGC attend statewide conferences

approximately twice a year. During the conferences, students meet student leaders from community colleges across the state. They have an opportunity to share ideas and concerns and learn leadership skills in workshops.

ALPHA MU BETA (AMB)

Alpha Mu Beta (AMB) is the service fraternity of the Student Government Council (SGC). They are a high profile group of students who spark interest in student life through campus networking, personal growth and service to the community. Applicants are selected for their high scholastic achievements and communication skills. This group is proficient in meeting people and in the organizational, time management, planning and leadership skills that will help them in their chosen fields. Applicants who are accepted into the fraternity discover a relaxed, yet disciplined, fellowship that encourages growth. AMB members have the opportunity to lead such events as the Angel Tree Project, Relay for Life and many other service projects for the benefit of the college and community.

Student Activities and Recreational Opportunities

Life at Forsyth Tech doesn't end when class is over. Here are some clubs and organizations to join, events to attend, and fun to be had!

INTRAMURAL SPORTS

- Co-ed Volleyball
- Co-ed Bowling League
- Co-ed Basketball
- Golf Tournaments (three each year)
- Ice Skating

CLUBS AND ORGANIZATIONS

STUDENT ACTIVITY FEE

credit students pay the student activity fee when register and automatically become members of Forsyth Tech's Student Government Association. Though called an activity fee, it is used for more than providing activities. Below is a list of expenses covered by the student activity fee:

Graduation expenses are partially covered.

Student activities and entertainment such as the Back-to-School Bash, Fall Festival, Spring Fling, Martin Luther King Jr. Celebration, Constitution Day and the Coffeehouse are free to students.

Student publications such as this Student Academic Planner and the student newsletter Technically Speaking.

Intramural teams participate in co-ed basketball and volleyball. Equipment and registration fees are paid out of the student activity fee budget. Golf tournaments, bowling leagues and ice skating are also offered every year to students at a greatly reduced price.

All Student Government Association expenses are paid out of student activity fee funds.

Expenses include the student activities director's and secretary's salaries, supplies and materials for the Student Activities Office and all SGA printing expenses.

Attendance at SGC conferences is a major expense of the SGA. Forsyth Tech is a member of the North Carolina Comprehensive Community College (N4C) Student Government Association. The N4CSGA offers two conferences each year. These conferences offer workshops and seminars to prepare students to lead the SGA on their campuses.

- Alpha Mu Beta is the service fraternity of the Student Government Council.
- Ambassadors is a group of student leaders who perform specific campus projects such as leading tours, being available for new students during registration days, and escorting special guests on campus.
- Architectural Technology Club
- Campus Bible Fellowship encourages the understanding of the historic Christian faith. Weekly meetings include lunch, singing, prayer, Bible study, and counseling.
- Creative Writing Club
- Criminal Justice Club (Sigma Theta Kappa)
- Forsyth Tech Gospel Choir
- Future Advocates for Children
- Hispanic Student Association strives to promote Hispanic culture on campus as well as provide an open atmosphere in which Hispanic students can interact with one another.
- Human Services Club
- Interior Design Club
- International Club
- Journalism Club produces Technically Speaking. Technically Speaking is published by students who are enrolled in Introduction to Journalism (JOU 110). Students can become involved in writing, photography, editing, desktop publishing, ad solicitation and paper distribution.
- Motor Sports Club
- Paralegal Association
- Philosophical Society
- Student Nurses
- Student Practical Nursing Association
- Student Sonographers Association
- Students Understanding Disabilities (SUDS) club provides a fun, supportive environment where students with and without disabilities can meet to discuss issues of interest. Topics of discussion may include educational goal setting, equal access, study skills, time management, test taking strategies, and sensitivity training. SUDS provides students with the opportunity to network while enjoying fellowship.
- Phi Theta Kappa is the international honor society of two-year colleges.
- 24 Karatz Fashion Club
- Women in Information Technology Association

If you have questions regarding student organizations, please contact the Student Activities Center, Room 124 (1st floor), Technology and Student Services Building, Main Campus or call (336) 734-7326.

Student Organization Contact Information

You are invited to join Forsyth Technical Community College's Student Government Council and student organizations and participate in recreational activities. For more information call Eddie Waddell at (336) 734-7326 or Daisy Cutler at (336) 734-7509.

James A. Rousseau II Minority Male Mentoring Program

The James A. Rousseau II Minority Male Mentoring Program is open to all minority male students at Forsyth Tech. Students meet monthly with members of the local business community, faculty and staff at Forsyth Tech. The goals of the program are to:

- Provide an open forum for minority males to discuss issues and concerns with professionals and mentors.
- Promote goal-setting and positive choices in decision-making.
- Improve the retention and graduation rates of minority males at Forsyth Tech.
- Enhance communication skills, self-discipline, motivation and self-concept.
- Develop job-seeking skills and promote work force preparedness.
- Provide practical knowledge of budgeting, investments, savings and financial planning.

For more information about this program, contact the Recruiting/Minority Services Office (1st Floor), Allman Center, Main Campus at (336) 734-7260.

Shugart Women's Center

The overall mission of the Shugart Women's Center (SWC) is to promote the educational, personal and professional development of women attending Forsyth Tech by providing advocacy, referrals, information and resources to assist in achieving positive outcomes.

Although the primary focus is on female students, the SWC is open to all students enrolled at Forsyth Tech, as well as faculty and staff. The center addresses many issues including educational awareness, economic wisdom, personal development, conflict resolution, healthy living and student family support services. Programs that are offered through the center include:

- **Counseling and Referrals** - The director of the SWC is available to provide counseling and referrals based on individual needs. Information gathered during counseling or referrals remains

confidential. One of the most critical objectives of this service is to match the individual with the appropriate agency or organization that will suit his or her need. The SWC also has a collection of brochures and information about community agencies and programs.

- **Library** - The SWC houses a substantial collection of more than 550 donated books, tapes and magazines. Materials in the library may be checked out by students and staff. The comfortable lounge area is available for students to study, or just relax. The area may also be utilized for small group meetings. A computer with Internet access is also available for students needing to complete assignments or do research.
- **Workshops and Displays** - Workshops are scheduled by the SWC on a variety of subjects during

each semester. Information presented provides guidance for handling issues and challenges that students face at work, home and school. Open forums are also conducted to allow students to ask questions and voice their opinions. Displays are set up to inform and educate students, faculty and staff of Forsyth Tech.

- **Enhancement Center** - The Enhancement Center is stocked with casual and professional clothing for female students in need. Items are donated by individuals and organizations. Clothes distributions are done throughout the year.

For more information about this program, contact the Shugart Women's Center (2nd floor), Hauser Hall, Main Campus at (336) 734-7280.
